

Feedback

- Do you receive feedback within the required timescale?
- Is the feedback received constructive or just criticism?
- Is the feedback received concise?
- How else would you like to receive feedback?
- How useful do you find the current methods of feedback?
- Do you get feedback when you request help?
- What improvement would you like to see when getting feedback from lecturers?
- Was the feedback prompt?
- Was the feedback clear?
- Do you feel you received productive feedback?
- Where do you get feedback for your work?
- Was the feedback or is the feedback hard to find or access?
- How would you like your feedback presented to you?
- How soon would you like your feedback given?
- Is the feedback relevant for improvement in future modules?
- When receiving assignments, is the feedback adequate?
- Do you understand the feedback you have been given?
- Do you know who to talk to about feedback?
- Do you find feedback useful?
- Is the feedback legible?
- Do you get feedback?
