

Learning & Teaching Innovation

- Do you understand your lecturers?
- Are you stimulated by the material and lecturer?
- Are lecturers keeping up with new teaching ideas?
- Is your lecturer empathetic with your learning style?
- How was the lecture presented and was it adequate for you?
- Is the lecturer teaching in an appropriate manner?
- Is the lecturer's resources and information up to date?
- Are there any areas of teaching that could be improved?
- How do you like the teaching styles used on your course?
- What teaching styles are most effective for learning?
- Which techniques/ teaching qualities or methods do you find useful?
- Would you benefit from learning outdoors?
- What would you like to change about the current lecture style?
- What are your expectations from your lecturers?
- Do you benefit from the smaller, more intimate classes?
- How useful are the online resources for L&T?
