

## Resources

- Are there enough computers
- Are there enough books in the library?
- Are the lecture rooms big enough?
- Is the studio space equipped?
- Are your lecturers providing enough resources? E.g.; Powerpoint's?
- Can you access things you need when you need them?
- Can you obtain the resources when you need them?
- Is there an adequate range of resources?
- Is there enough information on them?
- Are you satisfied with the resources provided for individuals with dyslexia?
- Are there enough copies of the reading material?
- Can everyone access the online reading material/facilities?
- How useful do you find the resources in the laboratories?
- Have you attended the Learning Centre induction lecture?
- Do you know what OPAC is?
- Do you find the OPAC website easy to use?
- Are there enough books available at the library for your course?
- Do you find there are enough computers on campus?
- If the book you require isn't in the library is it easy to order in?  
Does this take long?
- Is the time you can hire a book out for acceptable?
